The University of Calgary (UCalgary) is one of Canada's top research institutions. Choosing to live and learn at UCalgary means you'll study with educators who are experts in their fields. You'll also have opportunities to generate new knowledge alongside our researchers as early as your first year of study.

In addition to exceptional academic experiences, you'll have access to student support services that are second to none. Over the course of your time with us, we'll help you nurture lifelong interests so you're prepared to take on the challenge of current and emerging career paths.
surround yourself with possibility

University is about embracing your curiosity and challenging yourself. There’s a place for you on our campus whether you’re interested in developing a ground-breaking app, training to become a world-class athlete, building a solar-powered house, or any of the other endless possibilities our programs and services offer. And the best part is that you can do all of this in one of the most vibrant, caring, and culturally-diverse cities in the world.
focus your curiosity

As one of Canada’s leading research universities, we’re dedicated to generating unique and innovative knowledge. By studying here, you’ll engage in meaningful research experiences with our expert researchers and educators. Your lab and course work will be enriched through hands-on learning opportunities. Outside the classroom, your experience will be enhanced through community projects, internships, cooperative education, volunteering, and more!

“With awards offered for research, and the possibility of obtaining class credit for it, UCalgary has really helped me gain important practical experience.”

Claire, arts student, St. Paul’s Academy, Okotoks

LEADING THE WAY IN SIMULATION

Our Collaboration Centre is a research lab where students across a variety of disciplines — from nursing to engineering — can engage in simulations. You’ll be able to use technologies such as virtual and augmented reality, and artificial intelligence.

DEVELOPING UNDERSTANDING THROUGH IMMERSION

Pikuni Elders Reg and Rose Crowshoe hosted an International Indigenous Studies field immersion course in the Seven Brothers Tipi.

HEALTH RESEARCH MOVING US FORWARD

The Centre for Mobility and Joint Health is a cross-disciplinary facility that allows researchers to develop new technologies for the prevention, early diagnosis and treatment of bone and joint conditions.
Living in residence instantly connects you to our campus community, and your new life as a student. You’ll have all the support you need to thrive on your own, and you’ll get more sleep being so close to your classes! If you’re a high school applicant, you’ll also have a guaranteed home on campus for your first two years. Simply submit your residence application by May 1. Visit ucalgary.ca/residence for more information.

Finding your place at university starts with self-discovery. UCalgary offers numerous opportunities such as community events, inclusive clubs and a wide range of courses. Just be yourself, look ahead and aim high.

Kim, arts and commerce combined degree student, Bishop Carroll High School, Calgary
I chose UCalgary because of its excellent academic reputation and great basketball program. The team and coaching staff are like family to me now. We help each other with everything we need. The friendly, yet competitive, environment on campus is one of a kind.

Lars, commerce student, Schubart High School, Ulm, Germany
start your adventure

1 SELECT YOUR PROGRAMS AND CHECK ADMISSION REQUIREMENTS
Review our programs and identify your top two choices. Check the admission requirements for both programs.
Visit ucalgary.ca/future/undergrad/explore.

2 CHECK THE ENGLISH LANGUAGE REQUIREMENT
Make sure you satisfy our English language proficiency requirement.
Visit ucalgary.ca/pubs/calendar/current/a-11.html.

3 SUBMIT YOUR APPLICATION AND PAY YOUR FEE
Complete your online application and select a way to pay your application fee by March 1, 2018.
Visit ucalgary.ca/future/undergrad/apply.

4 APPLY FOR SCHOLARSHIPS AND AWARDS
Our prestige award deadline is Dec. 15, 2017 and the deadline to apply for all other high school awards is March 1, 2018.
Visit ucalgary.ca/registrar/finances/awards.

5 SUBMIT YOUR REQUIRED DOCUMENTS
Submit your transcripts and documents. If you’re in your senior year, submit your interim results by March 15, 2018; your final results are due by Aug. 1, 2018. If you’ve already graduated, we’ll need official final transcripts.
Visit ucalgary.ca/pubs/calendar/current/a-4-3.html.

6 REVIEW YOUR STATUS
Log in to your my.ucalgary.ca account and visit your Student Centre to check your application status. Add @ucalgary.ca to your safe sender list so you don’t miss important information and updates by email.

7 ACCEPT AN OFFER
Accept your offer of admission in your my.ucalgary.ca account and pay your $500 non-refundable admission deposit. This deposit will be applied to your fall admission fees.

8 APPLY FOR RESIDENCE
High school applicants who apply for residence by May 1, 2018 are guaranteed a home on-campus for two years.
Visit ucalgary.ca/residence.

Admission offers are conditional. To remain admissible, you must maintain your academic standing, complete all your senior-level course requirements and provide your final official transcripts by Aug. 1, 2018.
High School Students

If you’re currently completing or have recently completed high school, you must present the five grade 12 courses for your program. By submitting your application, you’ll automatically be considered for early or standard admission before grades are finalized.

Early admission is based on your available grade 11 or 12 results. If both grade 11 and grade 12 grades are provided, the grade 12 result will be used.

Standard admission is based on a combination of final grade 11 results and at least one grade 12 academic course. If both grade 11 and grade 12 grades are provided, the grade 12 result will be used.

For both early and standard admission, you must successfully complete the required five grade 12 courses to finalize your admission to your program.

Visit ucalgary.ca/registrar/requirements to view your program requirements.

Adult Students

You may be considered an adult student applicant if you meet all three of the following criteria:

• You’re 21 years of age or older
• You’re a Canadian citizen or permanent resident
• You haven’t completed any previous post-secondary coursework

You’re not required to meet all high school applicant admission requirements; however, you must present satisfactory standing in grade 12 English, meet the admittance average of your program and meet any other grade 12 subjects specified by your program of choice.

Visit our academic calendar ucalgary.ca/pubs/calendar/current/a/S-4.html for details.

Transfer Students

If you’ve attended an accredited/recognized post-secondary institution and have completed, or are in the process of completing, a minimum of 12 units, you’ll be considered for admission on the basis of your post-secondary academic standing. Some programs may require you to complete, or be in the process of completing, specific course requirements at the high school or post-secondary level.

Visit our academic calendar ucalgary.ca/pubs/calendar/current/a/S-3.html for details.

International Students

If you’re an international student or a Canadian student who has studied outside of Canada, you’ll be considered for admission on the basis of your senior-level high school grades.

If you’ve completed high school internationally but under a Canadian curriculum, please review the admission requirements chart on pages 16-19.

To be considered for admission as an international student, you must:

• Have completed the country specific requirement as indicated on ucalgary.ca/register/requirements
• Receive satisfactory standing in five subjects (as determined by your program) that are acceptable in lieu of Alberta’s 30 level courses. This must include an English course equivalent to Alberta’s English Language Arts 30-1. See the admission requirements chart on pages 16-18 or visit ucalgary.ca/register/requirements for program requirements.
• Satisfy the English language proficiency requirement on page 17

For information on Canadian student permits and immigration, contact our Regulated Canadian Immigration Consultants in International Student Services at international.advice@ucalgary.ca.

Indigenous Admission Process

When you apply for admission, you’ll first be considered under the program admission requirement criteria. If you’ve self-identified as Indigenous on your application form, you’ll automatically receive consideration under the Indigenous Admissions process if needed. If you’re granted admission under this process, you may be asked to submit proof of your Indigenous heritage prior to registering for classes.

Visit our academic calendar ucalgary.ca/pubs/calendar/current/a/S-3.html for details.

Diverse Qualifications Admission Process

If you’ve achieved excellence outside of your academics or have overcome significant hardships, you may seek admission under the Diverse Qualifications process.

To be considered for admission under this process:

• You must be a Canadian citizen or permanent resident and demonstrate:
  ○ Excellence in non-academic areas;
  ○ High potential in academic or research activities;
  ○ Perseverance under great difficulty or hardship

Visit our academic calendar ucalgary.ca/pubs/calendar/current/a/S-3.html for details.

United States High School Students

If you’re studying at a high school in the United States, you’ll be considered for admission based on a combination of:

• Senior-level, honors, and/or Advanced Placement (AP) courses equivalent to the Alberta courses listed on pages 16-19
• Minimum results from either the ACT or SAT Reasoning Test:
  ○ ACT: minimum composite score of 24 (our school code is 5169)
  ○ SAT: minimum combined Evidence-Based Reading and Writing plus Math (EBW-M) score of 100 (our school code is 0813)

To be considered for admission as an international student, you must:

• Have completed the country specific requirement as indicated on ucalgary.ca/register/requirements
• Receive satisfactory standing in five subjects (as determined by your program) that are acceptable in lieu of Alberta’s 30 level courses. This must include an English course equivalent to Alberta’s English Language Arts 30-1. See the admission requirements chart on pages 16-18 or visit ucalgary.ca/register/requirements for program requirements.
• Satisfy the English language proficiency requirement on page 17

For information on Canadian student permits and immigration, contact our Regulated Canadian Immigration Consultants in International Student Services at international.advice@ucalgary.ca.

General Certificate of Education (GCE) Students

You must present five distinct and appropriate GCE/GCSE subjects, with at least two at the Advanced and Advanced Subsidiary Level. Any subject presented at both Advanced and GCSE/Ordinary levels will not be considered as two distinct subjects.

Advanced Credit

You’ll automatically receive credit in approved Advanced Level courses where you present grades of A, B, or C.

Visit our academic calendar ucalgary.ca/pubs/calendar/current/a/S-3.html for details.

English Language Proficiency Requirement

English is the official language of instruction at the University of Calgary. All applicants must demonstrate English language proficiency to be considered for admission to an undergraduate program.

Applicants to the nursing and education degree programs have additional requirements.

Details about our English language proficiency requirement can be found at ucalgary.ca/pubs/calendar/current/a/11.html.

International Foundations Program

If you’re an academically qualified applicant who doesn’t meet our English language requirements, you may apply to the International Foundations Program (IFP).

Visit our academic calendar ucalgary.ca/pubs/calendar/current/a/4.html for details.

ENGLISH LANGUAGE TESTS

Minimum Score Required

CAEL (Canadian Academic English Language) 70
Cambridge English: Advanced (C1) 180
Cambridge English: Proficiency (C2) 180
IELTS (International English Language Testing System) 6.5
MELAB (Michigan English Language Assessment Battery) 85
PTE Academic (Pearson Test of English Academic) 60
TOEFL – Internet-based (IBT) 80
University of Calgary (International Foundations Program) The 3

* Our school code for the TOEFL is 0813 and department code is 00.

| Bachelor of Arts                       | Low 80s: Earth Science and Psychology | English Language Arts 30-1, Four approved courses if one may be an approved option | - Alberta’s Physics 31 (or equivalent) is required as a prerequisite for courses in the following programs: Archaeology, Economics, Geology and Archaeology.  
  - Alberta’s Biology 32 and Chemistry 30 (or equivalent) are required as prerequisites for Biology 410 in Psychophysics, the BA/BA in Philosophy and Humanities, and the BA/BA in Archaeology with a concentration in Physical Anthropology.  
  - Only one of Art, Drama, Dance or Music can be used in calculating the admission average.  
  - A minimum grade of 70% in Alberta Mathematics 30-1 (or equivalent) is the prerequisite for first-year math courses.  
  - Early admission is based on available grades for English, Mathematics, Social Studies and one approved course or option. |
| Bachelor of Fine Arts and Bachelor of Music | Mid 80s: All other Arts programs | English Language Arts 30-1, Four approved courses if one may be an approved option | - Bachelor of Music (BMus) and Bachelor of Arts (BA) in Fine Arts (BFA) programs require auditions.  
  - GPA and/or Music program admission must be successful completion of Grade VIII (RCM) Examination Theory Exam  
  - Admission to the BMus, BA Music, or music programs requires evidence of RCM Level 5 or the departmental music theory diagnostic exam.  
  - BFA Visual studies requires portfolio.  
  - Approved courses may include locally developed courses specific to Art, Drama, Dance or Music.  
  - A maximum of two approved Fine Arts courses are permitted as approved courses or options. |
| Bachelor of Commerce                    | Low 80s                             | Political Science 30, Mathematics 30, Chemistry 30, Biology 30, English Language Arts 30-1, Four approved courses if one may be an approved option | - A minimum grade of 70% in Alberta Mathematics 30-1 (or equivalent) is the prerequisite for first-year math courses.  
  - Early admission is based on available grades for English, Mathematics, Social Studies and one approved course or option. |
| Bachelor of Community Rehabilitation   | Mid 80s                             | English Language Arts 30-1, Biology 30, Two approved courses, One approved course or option | Early admission is based on available grades for English, Biology, one approved course, and one approved course or option. |
| Bachelor of Education                  | Based on program pathway            |                                                                                 | Early admission is based on available grades for English, Biology, one approved course, and one approved course or option. |
| Bachelor of Health Sciences            | Mid 60s                             | English Language Arts 30-1, Mathematics 30-1, Biology 30, Chemistry 30, One approved course or option | A supplementary application is required for admission.  
  - A minimum grade of 70% in Alberta Mathematics 30-1 (or equivalent) is the prerequisite for first-year math courses.  
  - Early admission is based on available grades for English, Biology, Chemistry and Mathematics. |
| Bachelor of Kinesiology                | Low 80s                             | English Language Arts 30-1, Mathematics 30-1, Biology 30, Chemistry 30, One approved course or option | For Biomechanics, and Exercise and Clinical Physiology, a minimum of 70% Alberta Mathematics 30-1 (or equivalent) is required.  
  - For Biomechanics, Alberta Mathematics 30-1 and 31 (or equivalent) are required. Alberta Physics 30 (or equivalent) is recommended, but will not be counted in the calculation of the incoming average.  
  - Early admission is based on available grades for English, Biology, Chemistry and Mathematics. |
| Bachelor of Nursing                    | Mid 60s                             | English Language Arts 30-1, Mathematics 30-1, Biology 30, Chemistry 30, One approved course or option | Alberta Mathematics 30-1 or 30-2 (or equivalent) are acceptable.  
  - Early admission is based on available grades for English, Biology, Chemistry and Mathematics. |
| Bachelor of Science                    | Top six: All Honours programs, BScEd Biological Sciences and Computer Science program, Photos High 30 All Other Science programs | English Language Arts 30-1, Mathematics 30-1, Biology 30, Chemistry 30, Physics 30, or CTS Computer Science Advanced Level (5 credits) | Students are encouraged to take high school courses related to their intended major since some courses not required for admission may be prerequisites for first-year courses.  
  - Alberta Chemistry 32 (or equivalent) is required as a prerequisite for courses in Biological Sciences, Chemistry, Geosciences, Physics and Astronomy programs.  
  - Alberta Biology 30 (or equivalent) is required as a prerequisite for courses in Biological Sciences programs.  
  - Alberta Mathematics 31 (or equivalent) is strongly recommended for all programs.  
  - Alberta Physics 30 (or equivalent) is recommended for all Biological Sciences, Chemistry, Geosciences, Physics and Astronomy programs, and the Applied Mathematics major.  
  - A minimum grade of 70% in Alberta Mathematics 30-1 (or equivalent) is the prerequisite for first-year math courses.  
  - Early admission is based on available grades for English, Mathematics, and two of Biology, Calculus, Chemistry or Physics. |
| Bachelor of Science in Engineering     | Mid 60s: With Calculus, Low 80s: Without Calculus | English Language Arts 30-1, Mathematics 30-1, Chemistry 30, Physics 30, Mathematics 31 | Students without Alberta Mathematics 31 (or equivalent) may present an alternate approved course and will be required to complete an alternate math stream.  
  - A minimum grade of 70% in Alberta Mathematics 30-1 (or equivalent) is the prerequisite for first-year math courses.  
  - Early admission is based on available grades for English, Chemistry, Physics and Mathematics. |

Admission considerations for all degree programs are competitive. See our university calendar at ucalgary.ca/pubs/calendar/current/a.html for the most up-to-date information.

UCalgary is very special to me because you get the best of two worlds here. Being a research intensive university, there are many faculty at the forefront of their fields. At the same time, it’s not too large and students still get a chance to interact with faculty members on a personal level.

CHOOSE UCALGARY

The best way to learn more about joining our campus community is to visit choose.ucalgary.ca and create your own account. From there, you’ll be able to request more information, contact your personal recruiter, find out about campus events like our Open House, book a tour, and view our calendar to see when we’ll be visiting an area near you!

We acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Siksika, the Piikuni, the Kainai, the Tsuu T’ina, and the Stoney Nakoda First Nations. The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River. The traditional Blackfoot name of this place is “Mohkinstsis,” which we now call the City of Calgary. The City of Calgary is also home to the Métis Nation of Alberta, Region III.
