unleash your potential

The University of Calgary (UCalgary) is one of Canada’s top research institutions. Choosing to live and learn at UCalgary means you’ll study with educators who are experts in their fields. You’ll also have opportunities to generate new knowledge alongside our researchers as early as your first year of study.

In addition to exceptional academic experiences, you’ll have access to student support services that are second to none. Over the course of your time with us, we’ll help you nurture lifelong interests so you’re prepared to take on the challenge of current and emerging career paths.
surround yourself with possibility

Earn a world-class education in a world-class city. Whether you want to take in Calgary's vibrant, diverse culture or escape to the natural beauty of Banff National Park, there's something for everyone in Canada's sunniest city.

A comprehensive transit system with more than 150 bus routes and 45 LRT stations connects you to attractions such as the Calgary Stampede, Spruce Meadows, the Calgary Zoo, WinSport’s Canada Olympic Park, Canada’s Sports Hall of Fame, TELUS Spark Science Centre and the National Music Centre. Or, grab your bike and explore North America's most extensive pathway and bikeway system.

For some quick facts about our city and our university, visit ucalgary.ca/about/our-story/facts-and-figures.
focus your curiosity

As one of Canada’s leading research universities, we’re dedicated to generating unique and innovative knowledge. By studying here, you’ll engage in meaningful research experiences with our expert researchers and educators. Your lab and course work will be enriched through hands-on learning opportunities and state-of-the-art facilities like the International Microbiome Centre, Human Performance Laboratory, Rothney Astrophysical Observatory, and the Taylor Family Digital Library.

HEALTH RESEARCH MOVING US FORWARD

The Centre for Mobility and Joint Health is a cross-disciplinary facility that allows researchers to develop new technologies for the prevention, early diagnosis and treatment of bone and joint conditions.

LEADING THE WAY IN SIMULATION

Our Collaboration Centre is a research lab where students across a variety of disciplines — from nursing to engineering — can engage in simulations. You’ll be able to use technologies such as artificial intelligence and virtual and augmented reality.

DEVELOPING UNDERSTANDING THROUGH IMMERSION

Piikuni Elders Reg and Rose Crowshoe’s International Indigenous Studies field immersion course in the Seven Brothers Tipi.

UNDERGRADUATE RESEARCH OPPORTUNITIES
RANKED IN THE TOP 200 UNIVERSITIES WORLDWIDE
#6 TOP RESEARCH UNIVERSITY in Canada
23:1 student to faculty ratio
27,000+ UNDERGRADUATE STUDENTS

EXPERIENTIAL LEARNING
Deepen your understanding of concepts and skills by applying them outside the classroom — through work-integrated learning opportunities such as internships, practicums and co-op programs. Recent co-op placements include Agriculture Canada, De Beers Group, Calgary Wildlife Rehabilitation Society, Honda Research, the Federal Government of Canada and Westjet.

AN INTERNATIONAL PERSPECTIVE
Complete part of your degree in a country you’ve always wanted to explore, such as Chile, France, Italy, Ireland, Japan, or New Zealand. UCalgary’s many opportunities to study abroad will help you develop a global perspective — a valuable advantage in your future career or studies. Learn more at ucalgary.ca/studyabroad.

PREPARE FOR YOUR FUTURE
Looking ahead to life after graduation should be exciting. That’s why UCalgary gives you the opportunity to prepare for your career. Many programs offer co-operative education or internship opportunities, and Career Services will provide you with one-on-one support. You can also develop your leadership skills by joining the Emerging Leaders Program or receive professional feedback on your start-up idea at the Hunter Hub for Entrepreneurial Thinking.

COMBINED DEGREES
UCalgary takes an innovative, industry-focused approach to education. Examples include a combined Dance-Kinesiology degree program and a combined Engineering-Commerce degree program.

185 study abroad opportunities
75 CAREER WORKSHOPS PER YEAR
91% GRADUATE EMPLOYMENT RATE
$380.4 MILLION IN SPONSORED RESEARCH (2016-2017)

AN INTERNATIONAL PERSPECTIVE

UCalgary’s many opportunities to study abroad will help you develop a global perspective — a valuable advantage in your future career or studies. Learn more at ucalgary.ca/studyabroad.

Photo by Jessica Wry, Study Abroad participant in Korea.
With 343 student clubs, more than 50 intramural sports options, and students from 150 countries, UCalgary is a great place to meet new people and build friendships that will last a lifetime. You’ll benefit from programs and services designed to help you get the most out of your university experience — both inside and outside the classroom. And stay safe and healthy with 24-hour security and on-campus medical, mental health, chiropractic, and massage services.

Living in residence will ensure you’re instantly connected to our campus community. You’ll also get more sleep being so close to your classes! If you’re a high school applicant, you’re guaranteed a home on campus for your first two years if you submit a residence application by May 1. See page 23 or visit ucalgary.ca/residence for more information.

Finding your place at university starts with self-discovery. UCalgary offers numerous opportunities such as community events, inclusive clubs and a wide range of courses. Just be yourself, look ahead and aim high.

Kim, Arts and Commerce combined degree student, Bishop Carroll High School, Calgary
The main UCalgary campus is located on 526 park-like acres — and is minutes from downtown Calgary. Some of the many services available on campus include:

- Medical and mental health services
- Career advising
- Leadership and experiential learning opportunities
- Academic writing support
- A large selection of food options to accommodate a variety of dietary preferences

You’ll find a complete list of all services available at ucalgary.ca/currentstudents/student-services.
You can customize your education by selecting a degree program, as well as a major and a minor. A major is your main specialization and a minor is your secondary one (minors are not selected until after your first year of study). Each degree program has specific admission requirements. High school applicants need to present five faculty-specific subjects. See specialization and a minor is your secondary one (minors are not selected until after your first year of study). Each degree you view at ucalgary.ca/registrar/requirements for program admission requirements.

UCalgary offers innovative combined degree programs you can view at ucalgary.ca/pubs/calendar/current/combined-degrees. Some certificates can be integrated into your degree at no extra cost, including one in Sustainability Studies (ucalgary.ca/sustainability/certificate).

</table>

1. The early admission average will be calculated on grades from 20-level courses (or equivalent). A grade of at least 70% in Mathematics 30-1 or 30-2 is required for admission. Additional courses may be required as pre-requisites for first-year courses.

2. A grade of at least 70% in Mathematics 30-1 is required for a grade of at least A in AB Mathematics (HL or SL) or Mathematical Studies SL, or Further Math SL, as a pre-requisite for first-year mathematics courses.

3. Psychology (BSc): while not required for admission, Biology 30 and Chemistry 30 are recommended to complete program requirements.

</tbody>
</table>

1. The early admission average will be calculated on grades from 30-level courses (or equivalents). If grades for 50-level courses are available, they will be used to calculate the average.
2. A grade of at least 70% in Mathematics 30 or 40 is required for admission.
3. Additional courses may be required pre-requisites for first-year mathematics courses.
4. Mathematics 30 is recommended.
5. A completed IB diploma with at least three higher level courses and no individual score below 3.
ADULT STUDENTS
You can be considered for admission as an Adult Student if you meet all three of the following criteria:
• 21 years of age or older
• Canadian citizen or permanent resident
• have completed fewer than 12 units of post-secondary coursework

You’re not required to meet all high school applicant admission requirements; however, you must present satisfactory standing in English Language Arts 30-1 or an acceptable equivalent, meet the admitting average of your program, and meet any other grade 12 subjects specified by your program of choice.

For details, visit our academic calendar at ucalgary.ca/pubs/calendar/current/a-5-4.

TRANSFER STUDENTS
If you’ve attended an accredited/recognized post-secondary institution and have completed 12 or more units/credits, you’ll be considered for admission on the basis of your post-secondary academic standing. Some programs may require you to complete, or be in the process of completing, specific course requirements at the high school or post-secondary level.

For details, visit our academic calendar at ucalgary.ca/pubs/calendar/current/a-5-3.

DIVERSE QUALIFICATIONS ADMISSION PROCESS
If you’ve achieved excellence outside of your academics or have overcome significant hardships, you may seek admission under the Diverse Qualifications process.

To be considered for admission under this process, you must be a Canadian citizen or permanent resident and demonstrate:
• excellence in non-academic areas; or
• high potential in academic or research activities; or
• perseverance under great difficulty or hardship

Diverse Qualifications is only available for your first choice program and is not available for Bachelor or Health Science, Psychology or Science honours programs.

For details, visit our academic calendar at ucalgary.ca/pubs/calendar/current/a-9.

INDIGENOUS STUDENTS
If you’ve self-identified as Indigenous on your application form, you’ll automatically receive consideration first under the regular competitive admission process and then under the Indigenous admissions process, if needed.

If you’re granted admission under the Indigenous process, you’ll be asked to submit documentation to verify your Indigenous ancestry before registering for classes.

Self-identification allows us to support you through your admissions process, assist you with academic advising and referrals, and provide you updates about cultural and social activities.

Indigenous students who are missing requirements for their desired program or would like additional support with transitioning to university may be able to join the Aboriginal Student Access Program (ASAP). Designed to help you prepare to enter a faculty-based program, ASAP consists of university classes, advising, cultural support, peer support and tutorials. This full-time program qualifies for student loans and other sources of funding.

Learn more at ucalgary.ca/future-students/undergraduate/indigenous.

ENGLISH LANGUAGE PROFICIENCY REQUIREMENT
English is the official language of instruction at the University of Calgary. All applicants must demonstrate English language proficiency to be considered for admission to an undergraduate program.

Details about our English language proficiency requirement can be found at ucalgary.ca/pubs/calendar/current/a-11.

INTERNATIONAL FOUNDATIONS PROGRAM
If you’re an academically qualified applicant who doesn’t meet our English language requirements, you may apply to the International Foundations Program (IFP).

For details, visit our academic calendar at ucalgary.ca/pubs/calendar/current/r/.

* Tuition costs are approximate based on a course load of 10 classes (30 credits) over eight months (two terms). Fees are based on the 2018-2019 academic year and are subject to change.
† Full fee information is available at ucalgary.ca/pubs/calendar/current/p-1-1.

STUDENT LOANS

Government student loans and grants are available to Canadian citizens and permanent residents. Apply through your home province of residence, or visit canlearn.ca for details. Albertans can apply online at studentaid.alberta.ca.

If you’re a student from the United States, visit ucalgary.ca/registrar/finances/student-loans/us for funding options.

SCHOLARSHIPS, BURSARIES AND AWARDS FOR ENTERING STUDENTS

By applying for admission, you’re automatically considered for entrance awards. You should then complete the competitive high school awards application in your Student Centre (my.ucalgary.ca).

For detailed information on applying for our high school scholarships, bursaries and awards, visit ucalgary.ca/awards.

apply
for residence

Residence is a great way to get involved on campus and get connected with other students. It gives you the opportunity to fully immerse yourself in all that the university community has to offer.

Living in residence can make your transition to university seamless. From first-year dorm-style rooms, to full apartments in upper-years or grad school, to family housing for families — there are options available for all students. You’ll move into a fully-furnished unit, which includes utilities and internet. Residence is a short walk away from everything you need, including:

• Classes, the library, labs and professors
• Academic and personal support, study lounges, study groups and tutors
• Leadership and employment opportunities
• 24/7 security
• World-class fitness facilities, activities, sporting events, social events and more

MEAL PLANS

Our Dining Centre offers an All You Care To Eat program where you can choose the plan that works for you — eat whatever you like, whenever you like and as much as you need throughout the academic year.

COST

The cost of residence for first-year students is between $7,906 and $11,145 for one academic year (September to April).

RESERVING YOUR ROOM

Applications for single student housing open on Dec. 10, 2018. If you’re a high school applicant, you’re guaranteed residence for the first two years of study if you apply by May 1, 2019.
1 SELECT YOUR PROGRAM(S) AND CHECK ADMISSION REQUIREMENTS
Review our programs and identify your top two choices. Check the admission requirements for both programs.
Visit ucalgary.ca/future-students/undergraduate/explore-programs.

2 SUBMIT YOUR APPLICATION AND PAY YOUR FEE
Oct. 1, 2018 - March 1, 2019
Submit your online application and pay the $125 application fee ($145 for students with international credentials).
Visit ucalgary.ca/future-students/undergraduate/apply.

3 APPLY FOR SCHOLARSHIPS AND AWARDS
Oct. 1, 2018 - March 1, 2019
As soon as you apply for admission, you can apply for awards. For prestigious awards, submit your scholarship application by Dec. 15, 2018 and all required admission documents by Jan. 15, 2019.
Visit ucalgary.ca/awards.

4 SUBMIT INITIAL DOCUMENTS
Deadline: March 15, 2019
Log in to your Student Centre (my.ucalgary.ca) and upload your initial transcripts and other required documents.
We recommend submitting these documents as soon as possible. Applications are considered based on the highest level of education completed at the time of review.

5 APPLY FOR RESIDENCE
Dec. 10, 2018 - May 1, 2019
High school applicants who apply for residence by May 1, 2019 are guaranteed a home on-campus for two years. You can apply for residence before you receive an offer of admission.
Visit ucalgary.ca/residence.

6 REVIEW YOUR STATUS
Log in to your Student Centre (my.ucalgary.ca) to check your application status.

7 SUBMIT FINAL DOCUMENTS
High School deadline: Aug. 1, 2019
Transfer deadline: June 1, 2019
If you studied in Alberta, we’ll receive your transcripts automatically through ApplyAlberta. If you studied in BC, request your final transcripts through the BC Ministry of Education website. If you studied in Ontario, request your final transcripts to be sent through OUAC. All other applicants should mail final transcripts to:
Admissions and Recruitment
University of Calgary
MB 117, 2500 University Drive NW,
Calgary, Alberta, T2N 1N4, Canada
Learn more at ucalgary.ca/future-students/undergraduate/documents.

If you receive an offer of admission to your first-choice program, this is the only offer of admission you’ll receive. We recommend you rank your application choices with your most desired program as your first choice.
VISIT CAMPUS

The best way to get to know your future campus is by experiencing it on a campus tour. Guided by one of our current students, you’ll explore our classrooms, student services, athletic facilities, and more.

You can also attend campus events such as Open House, application workshops or sessions on applying for awards.

To book a tour or see upcoming recruitment events, visit ucalgary.ca/future-students/undergraduate/tours-events.

CONNECT WITH A RECRUITER

Have questions? Communicate directly with your personal recruiter. To learn about the recruiter for your area, visit ucalgary.ca/future-students/undergraduate/recruiters.

JOIN OUR MAILING LIST

To learn more about our campus community, join our mailing list. You’ll be able to request more information, find out when we’ll be visiting a city near you and get important details and reminders!

To sign-up today, visit ucalgary.ca/registrar/future-students/connect.
