2020 Competitive High School Awards

What are these awards?

These awards are for students entering their first year in an undergraduate degree program who have gained admission based on their high school grades. Students must be entering the fall 2020 term at the University of Calgary.

Competitive High School Awards consist of scholarships, awards and bursaries. Scholarships are primarily based on academic merit, bursaries are primarily based on financial need, and awards are determining based on a blend of criteria.

What are the award values?

High School Awards and Bursaries

Vary from $500 - $8,500

What are the eligibility criteria?

Applications submitted by December 1, 2019 will be considered for all competitive High School Awards including the Prestige Awards. Prestige Awards are renewable, and a committee comprised of UCalgary community members does the selection.

Applications submitted between December 2, 2019 and March 1, 2020 will be considered for all competitive High School Awards excluding the Prestige Awards. The majority of these awards are non-renewable, and Undergraduate Awards does the selection.

The admission average is used for scholarship eligibility, and is calculated using 20-level high school grades (grade 11 for non-Alberta students) or 30-level grades (grade 12) if available.

What is the application process?

• Apply for admission to receive a UCID number. Admission is not mandatory to apply for awards.
• Complete the High School Awards application, which is available starting October 1, 2019 in the my.ucalgary.ca student portal.
For consideration for bursaries, the completion of the financial information section of the award application is mandatory.

The Bachelor of Health Sciences Supplementary Admission application must be submitted directly to the Cumming School of Medicine by their deadline when applying for the Leader in Health Sciences Scholarships.
