We acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Siksika, the Piikuni, the Kainai, the Tsuut'ina, and the Stoney Nakoda First Nations. The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River. The traditional Blackfoot name of this place is “Mohkinstsis,” which we now call the City of Calgary. The City of Calgary is also home to the Métis Nation of Alberta, Region III.
