Dear Counsellor,

On behalf of our UCalgary recruitment team, I’d like to start by acknowledging the important role you have in helping students assess and evaluate their post-secondary options. Our relationship with counsellors and advisors is vital and valued. To help make your job easier, this document contains information about how to connect with us, what’s new at UCalgary, a summary of admission requirements and our important dates and deadlines.

My team and I look forward to working with you in the upcoming year. If you have questions, or would like to request additional resources or information, please don’t hesitate to contact me.

Best Regards,
Steven Kelly
Manager, Student Recruitment
E-mail: smkelly@ucalgary.ca
Phone: +1.403.220.8543

The University of Calgary’s friendly and knowledgeable recruitment team is here to help.

### Dates and Deadlines

**2018**
- **September 29**  Open House
- **October 1**  Fall 2019 undergraduate applications open
- **October 1**  Fall 2019 undergraduate awards applications open (as soon as students apply for admissions, they can apply for awards!)
- **November 15**  Estimated date for first round of offers of admission
- **December 10**  Application for residence opens. High school applicants who apply for residence by May 1, 2019 are guaranteed a home on-campus for two years. Students can apply to residence as soon as they apply for admission.

**2019**
- **January 15**  Initial transcript deadline for prestige award applicants
- **March 1**  Fall 2019 admission application deadline
- **March 1**  High school awards application deadline
- **March 15**  Initial transcript and supporting documents required for admission (high school and transfer applicants)
- **May 1**  Initial deadline to accept an offer and pay admission deposit
- **May 1**  Deadline to apply for a guaranteed room in residence
- **June 1**  Final transcript deadline for transfer applicants
- **August 1**  Final transcript deadline for high school applicants

### What’s New

**Engineering**
Schulich School of Engineering now offers guaranteed admission into a student’s preferred major in their second year for all students who are admitted with at least 90% admission average or higher.

This offer is conditional to the student maintaining a 2.7/4.0 GPA in their first year.

**Several Programs Have Updated Entry Requirements, Effective for the Fall 2019 Intake**

**Earth Science**
- English
- Mathematics 30-1
- Chemistry
- Two approved senior level courses of which one may be an approved option.

Note: a grade of at least 70% in Mathematics is a prerequisite for most first-year math courses

**Economics, Geography (BA, BSc), Psychology (BSc)**
- English
- Mathematics 30-1
- Three approved senior level courses of which one may be an approved option.

A grade of at least 70% in Mathematics is a prerequisite for most first-year math courses

Psychology (BSc): while not required for admission, Biology and Chemistry are required to complete program requirements

**Psychology (BA)**
- English
- Mathematics 30-1 or 30-2 (or equivalent)
- Three approved senior level courses of which one may be an approved option.

To see admission requirements for all our programs, visit ucalgary.ca/registrar/requirements.
around campus

When it opens in 2022, Mathison Hall will offer business students a state-of-the-art learning environment, provide much-needed classroom space at the University of Calgary, and propel the Haskayne School of Business to the next level, all thanks to a $20 million donation from Calgary business leader Ronald P. Mathison.

Thanks in part to a generous $40 million gift by the Hunter Family Foundation, the Hunter Hub for Entrepreneurial Thinking was established to encourage entrepreneurial thinking and innovation across the university.

international student support

International Student Services (ISS) provides support services and customized advising for international students. Our leadership initiatives develop, design and deliver unique peer-driven programs that connect international and Canadian students. ucalgary.ca/iss

ISS also has Regulated Canadian Immigration Consultants (RCICs) and a Regulated International Student Immigration Advisor (RISIA) on staff to assist with student immigration issues. Email international.advice@ucalgary.ca with your questions.

The Welcome Centre provides support for new-to-Calgary students as they prepare to make Calgary their home. ucalgary.ca/welcomecentre

LIVING ON CAMPUS
Students are guaranteed residence for the first two years of study if they apply by May 1, 2019. Learn more at ucalgary.ca/residence/kananaskis.

The state-of-the-art Taylor Family Digital Library is one of North America’s most technology- and information-rich facilities.

MacEwan Student Centre is a hub for social activity and home to many services, including a medical centre and 20+ food outlets.

We guarantee a room in residence for first and second year, provided students apply for residence by May 1, 2019.

The Fitness Centre has an excellent range of equipment and certified staff to help students become familiar with the facility.

Light rail transit and buses directly connect the university to the rest of Calgary so students can easily explore the city.
Sustainability Studies. UCalgary offers innovative combined degree programs you can view at admission requirements. Student's can customize their education by selecting a degree program, as well as a major and a minor. A major is their main specialization and a minor is their secondary one (minors are not selected until after their first year of study). Each degree program has specific admission requirements. High school applicants need to present...

  - English Language Arts 30-1
  - Four approved courses at the 30 level, of which one may be an approved option
- **Earth Science**
  - English Language Arts 30-1
  - Mathematics 30-1
  - Chemistry 30
  - Two approved courses at the 30 level, of which one may be an approved option
- **Economics, Geography (BA, BSc), Psychology (BSc)**
  - English Language Arts 30-1
  - Mathematics 30-1
  - Three approved courses at the 30 level, of which one may be an approved option
- **Psychology (BA)**
  - English Language Arts 30-1
  - Mathematics 30-1
  - Three approved courses at the 30 level, of which one may be an approved option
- **All Other Programs**
  - English Language Arts 30-1
  - Four approved courses at the 30 level, of which one may be an approved option

### Cumming School of Medicine

- **Community Rehabilitation**
  - English Language Arts 30-1
  - Biology 30
  - Three approved courses at the 30 level, of which one may be an approved option
- **Health Sciences**
  - English Language Arts 30-1
  - Mathematics 30-1
  - Two of Aboriginal Studies 30 (five-credits), Biology 30, Chemistry 30, Computing Science, Intermediate Level (five-credits) Mathematics 30-1
  - One approved course or option at the 30 level
  - English Language Arts 30-1
  - English Language Arts 30-1
  - Mathematics 30-1
  - Three approved courses at the 30 level, of which one may be an approved option
  - English Language Arts 30-1
  - Biology 30
  - Three approved courses at the 30 level, of which one may be an approved option

### Haskayne School of Business

- English Language Arts 30-1
- Mathematics 30-1
- Two of Aboriginal Studies 30 (five-credits), Biology 30, Chemistry 30, Computing Science, Intermediate Level (five-credits) Mathematics 30-1
- One approved five-credit course or two three-credit courses at the 30 level

### Early Admission Basis

- English, Social Studies and two approved courses
- Mathematics, Chemistry and one approved course
- Mathematics and two approved courses
- Mathematics 1, Social Studies and one approved course
- English, Biology and three approved courses
- English, Mathematics, Biology and Chemistry
- Mathematics, Mathematics, and one Social Studies

### International Baccalaureate

- English A/L or Language (HL or SL) or English B/H.
- Four approved courses.
- English A/L or Language (HL or SL) or English B/H.
- One of Mathematics (HL or SL) or Mathematical Studies SL, or Further Math SL.
- Three approved courses.
- English A/L or Language (HL or SL) or English B/H.
- One of Mathematics (HL or SL) or Mathematical Studies SL, or Further Math SL.
- Three approved courses.

### Admission Considerations

Admission considerations for all degree programs are competitive. See our university calendar at ucalgary.ca/pubs/calendar/current/a for the most up-to-date information.

---

1. The early admission average will be calculated on grades from 30-level courses (or equivalent). 8 grades for 30-level (or equivalent) courses are available. The highest used to calculate the average.
2. A grade of at least 70% in Mathematics 30-1 or a grade of at least 4 in IB Mathematics (HL or SL), or Mathematical Studies SL, or Further Math SL is a pre-requisite for first-year mathematics courses.
3. A complement of three or four approved courses or one individual course below 5.
### Admission Requirements (continued)

#### Faculty of Kinesiology

- **Required Subjects**
  - English Language Arts 32-1
  - Mathematics 30-1 or 30-2
  - Chemistry 30
  - Biology 30
  - One approved course or option at the 30 level

  **Earliest Admission Basis**
  - English, Mathematics, Biology and Chemistry

  **Notes**
  - For Biomechanics, Mathematics 30 is required and Physics 30 is recommended.

#### Faculty of Nursing

- **Required Subjects**
  - English Language Arts 32-1
  - Mathematics 30-1 or 30-2
  - Chemistry 30
  - Biology 30
  - One approved course or option at the 30 level

  **Earliest Admission Basis**
  - English, Mathematics, Biology and Chemistry

#### Faculty of Science

- **Required Subjects**
  - English Language Arts 32-1
  - Mathematics 30-1
  - Two of Biology, Chemistry or Physics (at the 30 level), Mathematics 31, CTS Computer Science Advanced
  - One approved course or option at the 30 level

  **International Baccalaureate**
  - English A or Language (HL or SL) or English B HL
  - One of Mathematics (HL or SL) or Mathematical Studies SL, or Further Math SL (A grade of at least 70% is required for admission)
  - Chemistry (HL or SL)
  - Biology (HL or SL)
  - One approved course

#### Schulich School of Engineering

- **Required Subjects**
  - English Language Arts 32-1
  - Mathematics 30-1
  - Math 31
  - Chemistry 30
  - Physics 30

  **Earliest Admission Basis**
  - English, Mathematics, Chemistry and Physics

#### Werklund School of Education

- **On Campus**
  - Elementary Early Childhood Education
    - English Language Arts, Fine Arts
  - Secondary English Language Arts, Fine Arts Education, Drama, Fine Arts Education, Visual Studies
  - FESFL French Language Immersion, Second Language
  - **Community-Based**
    - Elementary: Mathematics, Science
    - Secondary: Mathematics, Science - Biology, Science - Physics

- **Werklund School of Education**

1. The earliest admission average will be calculated on grades from 20-level courses (or equivalent). If grades for 30-level (or equivalent) courses are available, they will be used to calculate the average.
2. A grade of at least 70% in Mathematics 30-3 or 30-2 or a grade of at least 4 in Mathematics (HL or SL) or Mathematical Studies SL, or Further Math SL is required for first-year mathematics courses.
3. Additional courses may be required at pre-calculator for first-year courses.
4. Mathematics 30-1 is required.
5. A completed IB diploma is at least three higher level courses and an individual score below 5.
additional admission information

ENGLISH LANGUAGE PROFICIENCY REQUIREMENT

English is the official language of instruction at the University of Calgary. All applicants must demonstrate English language proficiency to be considered for admission to an undergraduate program.

Details about our English language proficiency requirements can be found at ucalgary.ca/pubs/calendar/current/a-11.

INTERNATIONAL FOUNDATIONS PROGRAM

Academically qualified applicants who don’t meet our English language proficiency requirements may apply to the International Foundations Program (IFP).

For more details about this program, visit ucalgary.ca/pubs/calendar/current/r.

ENGLISH LANGUAGE TESTS

Minimum Score Required

- CAEL (Canadian Academic English Language) 70
- Cambridge English: Advanced (CAE) 160
- Cambridge English: Proficiency (CPE) 180
- IELTS (International English Language Testing System) 6.5
- MELAB (Michigan English Language Assessment Battery) 65
- PTE Academic (Premier Test of English Academic) 65
- TOEFL - Internet-based (IBT) 85
- University of Calgary International Foundations Program Tier 3

---

SCHOLARSHIPS, BURSARIES AND AWARDS

By applying for admission, students are automatically considered for entrance awards, including the $60,000 International Entrance Scholarships valued at $15,000 per year. After applying for admission, a student’s next step is to complete the competitive high school awards application in their Student Centre (my.ucalgary.ca) to be considered for additional awards, scholarships and bursaries.

AWARD APPLICATION DEADLINES

- December 15, 2018 – Prestige awards
- March 1, 2019 – Other entrance scholarships and awards

In recognition of academic excellence, students with an admission average of 95% or higher are automatically eligible for the $5,000 President’s Admission Scholarship. International Baccalaureate Diploma students are automatically eligible for additional awards valued at $3,500.

For more information on scholarships, bursaries and awards, visit ucalgary.ca/awards.

COST ESTIMATOR

Student’s can plan their expenses with our online cost estimator by visiting ucalgary.ca/registrar/cost-estimator.

@myucalgary
University of Calgary Future Students
@UCalgary

We acknowledge the traditional territories of the people of the Treaty 7 region in Southern Alberta, which includes the Siksika, the Piikuni, the Kainai, the Tsuut’ina, and the Stoney Nakoda First Nations. The University of Calgary is situated on land adjacent to where the Bow River meets the Elbow River. The traditional Blackfoot name of this place is “Mokhomstsu,” which we now call the City of Calgary. The City of Calgary is also home to the Métis Nation of Alberta, Region III.
