Navigating the student award application Journey

Vanessa Wood, Associate Registrar, Enrolment Services

Dr. Jessica Cohen, Coordinator, Scholars Academy
What the committee looks for:

- Academic excellence (student record)
- Experience (work, volunteer, leadership, business, international, entrepreneurial, research, business, community, art, athletics, teaching, presentations, coaching, among others)
- Communication, interpersonal and leadership potential
Help students:

- Understand the ethos of the institution or organization
- Recognize the uniqueness of the application
- Feel confident writing in colloquial language
- Come up with an action plan
- Gather the necessary information before graduation
