One of the classes I found interesting was international trade management. Producing an international business plan for a real company that could be implemented in the real world was an amazing experience. The information we were exposed to and how it all came together was extremely useful.

Nafilia P., BComm’14

As an undergraduate student, Kasia worked as a language assistant at the university’s French Centre and completed an internship with the Quebec Labour Ministry. Her work has led her to Haiti, the Dominican Republic and Senegal, where she was inspired to learn more about food production and development in the area of sustainable agriculture.

Kasia S., BComm’10

In addition to the seven courses above, you may take three additional courses. Visit ucalgary.ca/pubs/calendar/current/ha-4-1-1.html for details. Transfer students should contact the Haskayne Undergraduate office for a transfer specific program plan.
