Haskayne School of Business

ORGANIZATIONAL BEHAVIOUR AND HUMAN RESOURCES

Bachelor of Commerce (BComm)

Organizational Behaviour and Human Resources professionals specialize in studying how people operate within organizations. Over the course of your studies, you’ll learn how to respond to the needs of a diverse work force, develop flexible organizational structures, facilitate improved relationships with unions and reduce workplace conflict. You’ll complete formal presentations, group projects and various case studies during the course of your degree.

Naheed Nenshi
BComm'93
Nenshi has been the Mayor of Calgary since 2013. He is the first Canadian winner of the World Mayor Prize by the City Mayors Foundation, which he won in 2015.

“"The Haskayne School of Business provided a healthy balance of textbook and practical knowledge. Many of my favourite professors were long-time human resources professionals with many years of experience. Our classes were fun and engaging but also gave us handy tools to network and learn about career opportunities due to frequent guest lecturers.

Naween M., BComm'14
