John Gilchrist
BA’77 (Psychology and Drama)
Restaurant critic for the Calgary Herald and CBC Radio, best-selling author, and UCalgary continuing education instructor.

As a student living across the country from home, my Russian class has become my second family. It’s a close-knit community, where students encourage and support each other, and professors are always willing to help. There is a Russian Students Speaking Association that promotes Russian events, celebrations of traditional Russian holidays, even an end-of-semester potluck featuring Russian foods.
